1,	Opening balance	27,243
2,	Receipts	79,790

Rs 43856?

A sum of Rs 23,782/- will have to be sanctioned from State Funds as an additional grant for the current year Submitted with draft

Dy 28/10/03 The correct total cost of works in the Channarayanagar Taluk as per details given in the list of incomplete works comes to Rs 4,839-13-1 and not Rs 4930-13-1 and that the sum needed for the Santemarahally Anicut Restoration is given as Rs 1300 instead of Rs 1391 or Rs 91 more. The discrepancy will be pointed out in connexion to the Estimate before sanction can be accorded. Submitted with draft for approval.

There has been a large increase under opening balances owing to last year's sanctions having in many cases lapsed - It is now proposed to utilize a portion of those balances so as to enable certain incomplete works being pushed on & completed - The minimum prescribed will not be touched upon sanctions may therefore be given - I agree to the draft

Dated 16th October 1903

To

A. V. Narayanayyah, Esquire, M.A, M.L,
Secretary to
the Government of Mysore,
Revenue and General departments,

Sir

I have the honor to submit herewith a statement of District Fund Works that remained incomplete at the close of the year 1902-1903, but required appropriation during the year 1903-1904. The statement shows that the amount required for expenditure is Rs 23,782/- which, I propose, may be met from the sum of Rs 67,825/- being the opening balance for the year 1903-1904 in favor of the Board, as per audited accounts of the Comptroller for June 1903, which exceeds the prescribed minimum by Rs 48,638/-. As the working season has just now commenced, and as it is highly desirable to complete all the works before the close of the current official year, I have, in anticipation of Government sanction for the re-appropriation of funds, issued orders to the Amildars to finish them to completion.
